Water Control Valves

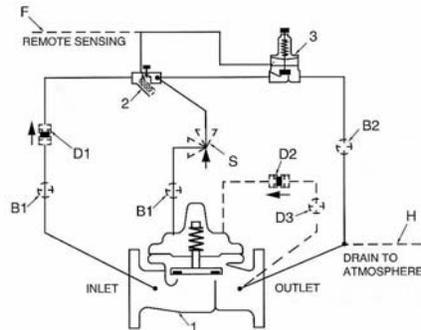

Pressure Reducing Valve

1-1/4" to 24"
Capacities to 16,000 GPM
Globe and Angle
Controls Down Stream Pressure

Options:

Stainless Steel Seat
Epoxy Coated Wetted Parts
Buna N diaphragm & Seals

Pressure Sustaining Valve

1-1/4" to 24"
Capacities to 16,000 GPM
Globe and Angle
Controls Up Stream Pressure
